## EAKRING PARISH COUNCIL

As a result of the wet weather the grass verges in the village are extremely soft. To help maintain the integrity of the grass verges the Parish Council would be grateful if, wherever possible, residents and their visitors would refrain from driving and parking cars on the verges.

Recently many residents have been asking about the Parish Council's progress in the purchase of the Cator Hall. The Parish Council are doing everything possible to complete the purchase. However our solicitors are being frustrated by the speed /lack of responses from the Diocese of Southwell and Nottingham. The Parish Council will continue to keep villagers informed.
